

The Breaston 2020 Calendar

Photographic competition

Are you a budding Photographer?

Following the success of the 2019 Breaston Calendar which sold more than 150 copies raising over £330 for the church youth group, we have decided to give it another go for 2020! This will of course depend entirely on you all taking part again.

The theme for 2020 will be 'photographs of your pet or of an animal which has taken your eye'. The competition will be self-funding and any profit will be given to the Scouts and Guide Movement in Breaston. It will be an all age competition, and the photographs deemed worthy to be included in the calendar, as chosen by an independent panel of judges, will receive a voucher as a prize.

Entry forms will be available from the Parish Council Meeting Room, and the entry fee will be, as last year, £1 per entry with a maximum of 6 photos per person.

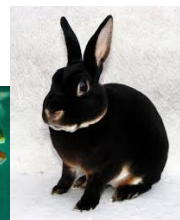

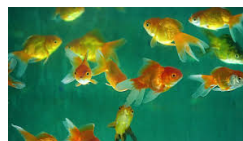

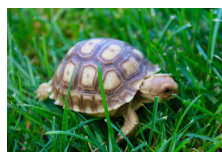

All photographs entered will be placed on the Parish Council Website, once judging has taken place.

The success of this venture will once again be very much up to you, and you do not have to be a resident of Breaston to participate.

The closing date for entries will be the 10th of August 2019.

All entries please to the Parish Council Meeting Rooms in Blind Lane, Breaston, DE72 3DW. Or breastonparish@outlook.com

The calendar will hopefully be on sale late September so get your order in early!
